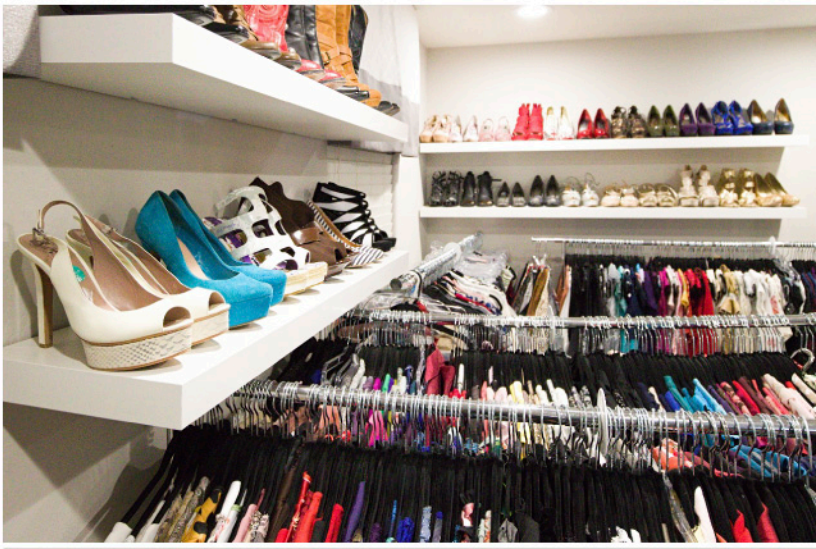
STEP 1

THE CONSULTATION

Beauty comes in all shapes and sizes

Held at my home studio. I'll recommend stylish outfits for you from my HUGE studio wardrobe or you can bring some of your own. We'll break through previous notions of what you think you can and can't wear or looks you can pull off. You'll choose the 5 outfits you love most and feel most confident wearing.



STEP 2

THE PHOTOSHOOT

A fun and glamorous experience

We'll start with professional hair and make-up with styling of your choice to make sure you look as incredible as you're going to feel. Then I will guide you through every pose and expression of your photoshoot making it fun and easy for you to naturally express your genuine personality. Held in-studio, outdoors or both.

STEP 3

THE REVEAL

Your beautiful truth in portraits

Prepare to be awestruck as you see yourself, like never before, in 30 magazine-style portraits professionally edited and displayed as 8x10's in crisp white mats. Then you decide which portraits you love most and want to keep. It's my job to make sure you love them all.
